

MD MOKAMMEL MORSHED

GIS & Geospatial Data Analyst | Python, Pandas, SQL, PostGIS | Solving Urban & Logistics Problems with Data | KUET URP | +880 1884-655-417

Dhupchaya, Fulbarigate, Khulna | mdmokammelmorshed@gmail.com | <https://meheran-portfolio.vercel.app/>

SUMMARY

I have beginner to intermediate expertise in SQL and Python, which helps me with data manipulation and solving real-world problems using data. I can extract insights from any kind of data and have intermediate skills in QGIS and ArcGIS software. I can also perform spatial analysis using real-world data with ArcGIS. Currently, I'm a university student, learning a lot about data analysis, spatial analysis, and data science.

TECHNICAL SKILLS

- Intermediate Python
- Intermediate SQL
- Intermediate HTML, CSS, Next js
- QGIS, ArcGIS
- Microsoft Word, Excel, Powerpoint
- Canva , Photoshop(beginner)
- Responsive UI design (CSS,tailwind)
- Web Development
- Generative AI

PROFESSIONAL EXPERIENCE

UdyomX ORG - Founder - Self Learning Application - [Link](#) Dec 2025 - Present

- Worked as a Full stack web developer , used MERN tech stack
- Feature : 5 pages, Dedicated content upload panel, Modern UI/UX design
- Expert in Html, CSS, Tailwind, Next js

SERC - Volunteer - (SERC-V20260106) Jan 2026 - Present

- Volunteering at SERC to enhance and expedite their program.

CERTIFICATIONS

Going Places With Spatial Analysis By **ESRI MOOC** Feb 2026 - Mar 2026

I gained practical experience in spatial analysis using real project data within the ArcGIS Online software.

Data Analysis With Python By **Datacamp** Feb 2026 - Present

I have successfully completed the [Introduction to Python](#), along with achieving [Intermediate](#) expertise in the subject and data manipulation in Python

Associate Data Analyst in SQL By **Datacamp** Feb 2026 - Present

I have successfully completed the [Introduction to SQL](#), along with achieving [Intermediate](#) expertise in the subject and [Joining Data in SQL](#)

EDUCATION

Khulna University of Engineering & Technology - Urban & Regional Planning Aug 2025 - Present

BCIC College - HSC (12th Grade, Science) GPA 5 out of 5 Feb 2023 - Jul 2024

Ataturk School - SSC (10th Grade, Science) GPA 5 out of 5 Jan 2017 - Oct 2022

ADDITIONAL INFORMATION

- Languages:** English (Fluent), Bangla (Native) .
